# Will Rogers World Airport celebrates inaugural non stop flights to Albuquerque and Ontario, California

### WHO

Officials from Express Jet, Will Rogers World Airport and the Greater Oklahoma City Chamber of Commerce invite members of the media to be a part of a celebration honoring passengers of two inaugural flights! **Mark Kranenburg**, Airports Director, will speak along with representatives from Express Jet and the Chamber.

### WHAT

Two celebrations to commemorate Express Jet's new, round-trip daily non-stop service from Oklahoma City to Albuquerque and from Oklahoma City to Ontario, California. Features include live music, fun food and customer giveaways!

### WHEN

Inaugural flights depart at 7:30 a.m., Monday, April 16 (Albuquerque) and 2 p.m., Monday, April 16 (Ontario, California) **MUST ARRIVE 75 MINUTES PRIOR TO DEPARTURES FOR SECURITY PURPOSES!**

### WHERE

Will Rogers World Airport — Beyond the TSA Checkpoint. Gates to be announced.

### HOW

Interested members of the media must submit their names 72 hours in advance for security purposes. Media will be credentialed and must present a valid, government-issued ID! Please arrive no later than 6:15 a.m. to receive special passes and pass through security for Albuquerque flight. (2:05 p.m. for Ontario flight!)

### WHY

Because Express Jet recognizes Oklahoma City is a valuable market worth investing in!

### BACKGROUND

Express Jet makes passengers feel like one of the family. Aircraft hospitality is designed to make travelers feel welcome. Seating is roomy. Passengers will enjoy valet carry-on baggage and complimentary name-brand snacks as well as 100 channels on XM radios, which are provided while aboard the aircraft. Service is a priority at Express Jet. After all, the company, which is rated one of the most admired Airlines by *Fortune Magazine*, wants you to look forward to their new destination, Oklahoma City. Additional fact sheets will be made available at the event. For more information on Express Jet, visit [www.expressjet.com](http://www.expressjet.com).
