

United Airlines Expands Service into the U.S. Southwest Region Through United Express Partner Trans States Airlines

November 22, 2005

United Express will offer service to seven new markets from San Antonio, Texas, and two new destinations from New Orleans

CHICAGO, Nov. 22, 2005 – United Airlines with United Express® partner Trans States Airlines today announced new service between San Antonio, Texas, and seven cities, enhancing travel for customers throughout the United States. Tickets are now on sale.

"These new routes from San Antonio will complement our existing service and offer our customers convenient access and more flying options to cities all over the world, including our hubs in Chicago, Denver, Los Angeles, San Francisco and Washington, D.C.," said Sean Donohue, vice president - Operational Services, United Express and Ted.

Effective Feb. 23, 2006, United Express and Trans States Airlines will offer twice daily service between San Antonio, Texas, and New Orleans and daily service between New Orleans and Oklahoma City, Okla.

Beginning March 3, 2006, service will also be added between San Antonio, Texas, and the following cities:

Albuquerque, N.M. - twice daily
Colorado Springs, Colo. - daily
Kansas City, Mo. - daily
Oklahoma City, Okla. - twice daily
Omaha, Neb. - daily
Tulsa, Okla. - twice daily

About United

United Airlines (OTCBB: UALAQ.OB) operates more than 3,400 flights a day on United, United Express and Ted to more than 200 U.S. domestic and international destinations from its hubs in Los Angeles, San Francisco, Denver, Chicago and Washington, D.C. With key global air rights in the Asia-Pacific region, Europe and Latin America, United is one of the largest international carriers based in the United States. United is also a founding member of Star Alliance, which provides connections for our customers to 790 destinations in 138 countries worldwide. United's 57,000 employees reside in every U.S. state and in many countries around the world. News releases and other information about United can be found at the company's Web site at united.com.
