Delta Announces Nonstop Service to New York's LaGuardia Airport

OKLAHOMA CITY, March 15, 2022 – Delta Airlines announced today that it will begin nonstop service from Oklahoma City's Will Rogers World Airport to New York City's LaGuardia Airport (LGA) beginning June 6, 2022. The new LaGuardia service will operate once daily.

“This is great news for Oklahoma City,” says Jeff Mulder, airports director. “New York LaGuardia has been a much sought-after destination; one that will greatly enhance the air service options for our leisure and business travelers. We appreciate Delta's commitment to our community.”

With the addition of New York LaGuardia, Delta's nonstop destinations from WRWA include Atlanta, Minneapolis, and Salt Lake City.

Flights are on sale now and can be booked at [Delta.com](https://www.delta.com).
