## **WRWA Celebrates the Launch of Frontier Airlines’ Nonstop Service to San Diego**

OKLAHOMA CITY, April 9, 2018 – Today, low-fare carrier Frontier Airlines begins new nonstop service from Will Rogers World Airport to San Diego, California. The new service to San Diego provides more travel options for Oklahoma City travelers with one-way fares as low as \$49.

“The launch of Frontier’s nonstop service to San Diego is a great addition for Oklahoma City,” says Mark Kranenburg, director of airports. “Southern California is one of our top destinations and with Frontier’s low fares, the route is sure to be a success.”

"Today we introduce a new, more affordable way to travel to San Diego," said Josh Flyn, director, network planning– Frontier Airlines. "We’re offering not only amazing low fares, but a reliable and friendly service that allows customers to customize their travel experience to their needs and their budget."

Frontier Airlines began service at Will Rogers World Airport in November 2017 with daily nonstop service to Denver and four-times weekly service to Orlando.

Frontier is focused on offering customers real choice and the ability to customize their travel to their needs and budget. For example, customers can purchase travel options like bags and seat selections either a la carte or in one low-priced bundle called the WORKS<sup>sm</sup>. The Works bundle is considered one of the best values in the industry and offers customers full refundability, a carry-on bag, a checked bag, the best available seat (including exit rows and Stretch seating), waived change fees and priority boarding for as low as \$59 each way. The Works is only available at FlyFrontier.com.

Frontier flies one of the youngest fleets in the industry, consisting of nearly 80 Airbus A320 Family aircraft. With nearly 200 new planes on order, Frontier will continue to grow to deliver on the mission of providing affordable travel across America. Frontier’s young fleet also ensures that the company will continue to keep fares low and that customers will enjoy a pleasant and reliable experience flying with the airline.
